

Tosa School of the Trades Informational Application

Name _____

Date _____

School _____

Counselor _____

The recommended student profile below provides information to help guide students as to their academic readiness to actively pursue learning at the School of The Trades. If your profile differs from the recommendations it does not exclude you from the application process as further discussion with your school counselor will be beneficial.

Recommended profile for success guidelines:

- Junior credit status of 12-14 credits.
- Successful completion of Algebra with concurrent enrollment in Geometry.
- Reading at or above grade level.
- In good standing in the area of attendance and discipline.
- Completion of Introduction Engineering and Design (IED) is recommended but does not make you ineligible to apply to TSOT.

Please see your counselor and have him/her print out your high school transcript and attach it to this form.
