

Underwood's 19th Annual High Interest Day

What is it?

High Interest Day is a special event where parents and people from our community come to Underwood to share their time, talents, skills, or hobbies with our students. Students get to learn about and try new and interesting things that they otherwise may never be exposed to such as: drumming, acting, bubbleology, Italian cooking, science experiments, cartooning, and woodworking etc.

How can parents help?

- ⇒ Be a committee member and help plan the day
- ⇒ Be a presenter and share your talent with the students
- ⇒ Donate food items
- ⇒ Get donations from your employer or other contacts
- ⇒ Join us on High Interest Day to help students have fun

For more information

Underwood's High Interest Day (Friday, May 4, 2012) contact Heather Keenan: heathermk@wi.rr.com or Tammy Makhoulf: tamara.makhoulf@yahoo.com.
