

Building A Trojan Tradition At Tosa West's Stadium

\$100 per Seat

(Minimum donation)

Have your name "Etched" in Tradition

The Wauwatosa School Board, Tosa Athletics Field Committee, and the Tosa West Community have made the Tosa West Stadium a Reality. There are still needs of the Facility to make the original plan complete. For every \$100 the donor will be able to engrave a bleacher seat.

Your donation will not only "etch" your contribution to the Trojan Tradition, but it will also help with subsequent phases to expand the home grandstand, and permanent visitor grandstand.
