

Summer Adventure Club Questions

How Do I Register?

You have to have a household account with our system to fill out a household ID request visit www.tosarec.com and click Online Registration.

When is Registration?

Tuesday, March 15th at 10:00am (ONLINE ONLY)

It is a very popular program that fills quickly, so if a site is full call 414.773.2900 or email tosarec@wauwatosa.k12.wi.us to be put on a wait list.

How much is the Registration Fee?

\$40/child.

This is only to get into the program. At the end of May/Early June parents will receive packets of the weekly registration forms & other paperwork.

Are there Forms to be Completed?

Yes those will be in the parent packets that you will receive in late May/early June. You will bring those to the SAC Open House. This flyer will also be in the packet.

Will they be in Groups?

The District Nurses informed us we do not need to do groups this summer. So each site will move as a large group to activities and will have one large space which is their "home base".

How do we register & sign up for days/weeks?

Each Tuesday is the registration deadline for the following week. You can register online or turn in paper forms at your child's site mailbox. On the weekly form you mark the days you need. If there are weeks you don't need it, you don't complete a form. Simple as that! You use the program as much or as little as you need.

Note: We do not recommend signing up ahead for weeks as your plans may change and we do not offer refunds; we can do transfer of days.

Special Needs Support

If your child has an IEP and receives one on one support during the school year, please note that in the roster questions. We will do our best to arrange an Aide for them in the program.

They Swim?

We swim each day. Participants have to pass a swim test to swim in the deeper sections. We provide life jackets, our counselors swim with them, and we have lifeguards on site for safety.

How Do they get picked up from Summer School?

On your weekly forms, you mark which Summer School site they need to be picked up from. Staff receive a list and they walk over to the summer schools. We have areas marked as our meeting spots so students know where to go once class is over, to meet our staff.

Field Trips?

We are back to field trips (WOO HOO!). They are each Friday. If your child is signed up for that day, they must attend the field trip. We do not have staff that stay back.

What's the Difference Between Sites?

All the sites will have K4-6th grade offered. We do not break sites up by grade levels. We have two sites for the East side of Wauwatosa due to the popularity/need. East & Whitman have a pool onsite for swimming. Lincoln SAC will walk over to East for swimming.
