Please help improve safety for our students attending Summer School at East!

- **Do not drop students on Southside of Milwaukee Ave. Children running across Milwaukee Ave is extremely dangerous.**
- **Park and walk student to summer school. Less congestion around the school is safer for our students!**
- **Please give the students the right of way and be courteous to other drivers.**
- **Do not block our neighbors' driveways, even for a few seconds.**
- **All students and parents should use crosswalks when crossing the street.**
