

East High School

Dear Parent/Guardian,

The Student Handbook is now available on the Wauwatosa East High School website. Please access the Student Handbook by going to the Wauwatosa East webpage. Under "For Parents" you will see the Parent/Student Handbook link.

If you are unable to access the online version, a printed copy of the Student Handbook can be obtained upon request, from the Main Office of Wauwatosa East High School.

It is important you and your student read the handbook in order for you both to fully understand school policies and student expectations.

Please complete the acknowledgement below and return it to East during registration.

My signature below confirms that I have been provided the necessary information to access the Wauwatosa East High School Student Handbook and that I have read and understand its contents. Furthermore, I understand that printed copies are available upon request, at the Wauwatosa East High School Main Office.
