2019-2020**

## **Friends of the Wauwatosa East Orchestra**

The Orchestra Parents of Wauwatosa East High School was formed to help underwrite workshops, clinics and scholarships for the orchestra and its members. With the support of the Friends, we can continue to improve the students' musical knowledge, skills and experiences. Family and business memberships are acknowledged in concert programs during the year, and additional benefits are granted for upper levels of support.
