

Whitman Middle School
Supply List 2021 - 2022

Supplies should be at school and in working condition within the first full week of school. Additional supplies may be needed for allied arts classes. Please label all supplies, including lunch boxes/bags, with a permanent marker.

All students will be receiving a Case-It and Assignment Notebook. We are moving to incorporate AVID strategies with students next year. An important component of AVID is teaching kids to be organized. Therefore, items such as spiral and composition notebooks, folders and/or other binders will no longer be used.

6th, 7th, and 8th Grade MSTEM 2021-22 - SCHOOL SUPPLY LIST

This takes the place of the other grade-level supply lists, NOT in addition to!

It's very important that students bring all of these items, labeled appropriately. STEM projects throughout the year make use of ALL of these items.

STEM-SPECIFIC SUPPLIES (some may be used for other classes, too)

*300 Sheets - Looseleaf Paper, 3 hole punched
*8 - Tab dividers, 3 hole punched
*Supply Pouch (nylon or fabric), 3 hole punched

1 large roll of Gray Duct Tape
Mechanical Pencils and lead, or 50 #2 pencils
1 Glue Stick and/or bottle of School Glue* (washable, all-purpose)
Hot Glue Gun and at least 4 dozen Glue Gun Glue Sticks
Extension Cord (for the glue gun)
Recycled materials: At your home, start saving recycled materials. For Future City -- and other projects -- we will need toilet paper tubes, paper towel tubes, egg cartons, Styrofoam trays, 2L and 20-oz bottles (clean), cardboard cylinders from used tape rolls, and other items that you or your student think would be useful for building a model city. Keep the recyclables at home until you receive notice (we have limited storage space in the classroom)
