

Due to lifeguard shortages, and the need to have more lifeguards on duty during Open Swim because of the layout of the Wauwatosa Aquatic Center, we are unable to provide an Open Swim schedule for November and December at this time.

We are offering a lifeguard class that starts on Tuesday, November 23. We need a minimum of 5 participants for the class to run, per American Red Cross.

If you know of anyone interested in becoming a lifeguard (and/or swim instructor), please tell them to sign up! Information about the class can be found in our 2021 Fall Activity Guide, located at www.tosarec.com. Take the class and be reimbursed the cost if you apply, are hired and work for a period of time as a lifeguard at Tosa Rec! Participant must be age 15 or older to attend the class and at least 15 years old to guard.

For more information about the lifeguard class or work opportunities, you can email us at tosarec@wauwatosak12.wi.us
