# Referendum Project Update Washington Elementary School

*This is an informational flyer to share. Construction work has begun at Washington Elementary School. Here are some important details:*

- Upgrades to the mechanical systems including the addition of air conditioning in classrooms, cafeteria, and gymnasium to improve air quality and temperature regulation.
- The primary construction entrance will be located at the entrance on the north-west corner of the playground.
- Standard working hours will be 7:00 a.m. - 7:00 p.m.
- Contractors will be parking on-site.
- Construction will be completed by September 2020.

If you have any questions or concerns regarding construction, please contact Chad Hoover, Site Superintendent, and/or Humberto Sanchez, Project Manager, for VJS Construction Services at 262-542-9000.
