

# WHITMAN HEALTH INFORMATION

## **IF YOUR STUDENT IS SICK:**

**Before school:** *call the attendance line 773-2602 (24hr voicemail)*

**During school:** student will call home from the office. Staff and parent/guardian will discuss together whether student is returning to class or going home. The district has guidelines in place for illness and based on these guidelines and District Nurse judgment a student may be required to go home against parent preference.

## **IF YOUR STUDENT IS HURT:**

School office has band aids and ice, for minor accidents and access to the District Nurse by phone. Staff will call parent/guardian if more attention is needed.

## **IF YOUR STUDENT NEEDS MEDICATION AT SCHOOL:**

**OTC/Non-prescription:** complete the OTC/Non-Prescription Medication Authorization form and return to the office with the medication in original container.

**Prescription:** complete the Prescription Medication Authorization form and return it, signed by a doctor, to the office with the medication in the original container.

## **IF YOUR STUDENT HAS ALLERGIES OR ASTHMA:**

Complete the Allergy Action/Emergency Care form and return, signed by a doctor, to the office with any medications/EPI pen/etc.

**The above forms along with other medication forms are available in the office and online at the District website at [wauwatosaschools.org](http://wauwatosaschools.org) under the Family Resources tab, Forms & Fees, Medication Forms**
