

May 29, 2020

Hello Wauwatosa Families,

We hope you're continuing to stay healthy and safe. Please see below for important updates.

Your Questions - Answered

Thank you for your feedback and responses to our recent survey regarding topics and areas to address in our video series. Not surprisingly, many families expressed an interest in learning more about plans for the upcoming 2020-21 school year, so this topic is addressed in our first video. The video can be found on our [Covid-19 updates webpage](#) or you can click [here](#) to download the video directly. Please continue to provide topics and questions for future videos using [this form](#).

Virtual Groundbreaking Ceremonies

A virtual groundbreaking ceremony will be held at **Wilson/WSTEM Elementary today at 3 pm**. We invite all students, families, staff and members of the community to watch the event live on Facebook. We will also hold a virtual groundbreaking ceremony at **McKinley Elementary next Friday, June 5 at 3 pm**, which will also be broadcast on Facebook. Please visit and LIKE our [Facebook page](#) to join us for these exciting events!

Library Book + Instrument Drop Off

Elementary and middle school students may return all library books and school-owned band/orchestra instruments curbside on June 8th and 9th. Social distancing recommendations will be followed to ensure the health and safety of staff, students and families. Please review drop off locations and times [here](#).

Curbside library pick-up will continue throughout the summer for all WSD students, and books from any school may be returned there as well. The Wauwatosa Public Library will also receive Wauwatosa School District books for return at any time throughout the summer.

Chromebooks

To best accommodate ongoing learning for students, families will be allowed to retain their District-issued Chromebooks over the summer. District-issued Chromebooks will continue to be subject to content filtering, monitoring and all [acceptable use guidelines](#). Families who choose to keep a Chromebook for the summer months, will be responsible for any repairs or replacement required due to loss, theft or other damage. If you do not wish to accept this responsibility, you may return your child's Chromebook to one of our contactless technology support kiosks. If your child is not graduating but is NOT returning to the District, you will be required to return the Chromebook along with any other District-issued equipment. Please [click here](#) to access information regarding technology support kiosk dates, locations and times.

Elementary Progress Reports

Trimester 3 progress reports will be accessible online through our student information system, Infinite Campus. Progress reports will no longer be printed and mailed. To view your child's progress report, you must activate your Infinite Campus parent portal. Information regarding account activation, setup and forgotten/lost passwords can be found [here](#). Further information and instructions for viewing progress reports through Infinite Campus will be shared in the coming days.

EFW Virtual Walk/Run

This year, the EFW Rush for Education will be a virtual event! Participants who register by June 15th will receive a t-shirt and home delivery of student/family packets. The cost for participation is \$15 per person, which includes an event t-shirt and a finish line tape. If you're interested in learning more or signing up, [click here](#).

Stay well,

-Wauwatosa School District
