• Your Educational Community •

April 24, 2020

Hello Wauwatosa Families,

We hope you are all staying healthy and safe at home. Please see below for important information and updates.

Library Curbside Pickup Now Available:

We are now offering curbside library book pickup for elementary and middle school families! Books can be reserved online and picked up in-person at Eisenhower, Roosevelt, Longfellow or Whitman. Additional details and instructions can be found [here](#).

Wellness Activities for Students and Families:

To encourage a focus on wellness during this unprecedented time, the Wauwatosa School District Wellness Committee has created a [Disconnect to Reconnect BINGO](#) game for families and students. This is an optional activity, but if you choose to participate, please feel free to post pictures on social media using the hashtag *#WauwatosaWellness*. You can also email photos to wellness@wauwatosa.k12.wi.us by May 8 to be posted on one of our District social media pages.

Thank you for staying Safer at Home and remember, we're in this together.

Sincerely,
Wauwatosa School District
