

August 28, 2020

Hello Wauwatosa Families,

We hope you've been able to stay cool this week as we begin to wrap up summer and look ahead to the 2020-21 school year! Please see below for this week's updates.

A Message from Your District Nurses

Please [click here](#) for a message from your District nurses.

Student Illness Checker

As we move through the school year, will continue to proactively provide families with resources that help answer critical questions. For that reason, we have developed [this Student Illness Checker](#) to help you determine if/when your student should report to school based on their symptoms, interactions with others, etc. If you have questions after using the checker, please contact your school nurse.

Reopening Resource Library

We continue to add to our Reopening Resource Library and encourage staff, families, students and members of our community to check it out! This week, we've added the following documents:

- [Mental Health Resources: Children's Literature](#)
- [Mental Health Resources: For Parents of Teens](#)
- [Back to School Checklist: Phase Into Learning](#)
- [Back to School Checklist: Tosa Connected + WVA](#)
- [Cohort A Learning Overview](#)
- [Cohort B Learning Overview](#)

We'd like to give a special *thank you* to Heidi Hemling, MS, LPC, NCC, PMH-C for providing the information about Mental Health Resources for our community!

Food Service

Please note that the District will be serving the last summer meals at Whitman Middle School (11100 W. Center Street) on Monday, August 31, 2020 from 11 am to 12:30 pm. Families that typically pick up meals from Longfellow will need to report to Whitman to receive their meals for the week.

This school year, to make processes easier for families and to minimize physical touchpoints, we have made modifications to the way we will provide meals to students when they are conducting off-site learning. We have also modified the method for applying for school and athletic fee waivers and paying school fees. For details, please [click here](#).

Now Hiring: Substitute Teachers

We're hiring substitute teachers for the 2020-21 school year! We've increased our daily rates, and are providing additional increases for assignments on Mondays and Fridays. And, you'll get a free lunch each day you sub in our District. [Click here to learn more and apply!](#)

Technology

Each family will soon receive an email with details regarding Chromebook pick up for those that did not already do it and a new technology helpdesk support method for families that will become active shortly. Please watch your inbox for those messages.

EFW Chromebook Donation

We would like to send a special *thank you* to the Education Foundation of Wauwatosa (EFW) for its generous gift of \$30,000, which was used to purchase new Chromebooks for students. Additional details can be found [here](#).

Thank you for your attention to these updates. We hope you have a wonderful weekend!

-Wauwatosa School District
