### **High School LAUNCH Program**

Our high school [LAUNCH](#) program engages students in real-world projects alongside area businesses and companies. We will be hosting a virtual information session for all Wauwatosa families who are interested in learning more about LAUNCH on **Tuesday, July 7th, 2020 at 4:00pm**. As a part of the Academic and Career Planning process, all high school families are welcome to attend as students continue planning their high school classes and experiences.
