

August 21, 2020

Hello Wauwatosa Families,

We hope you are doing well and enjoying the last few weeks of summer break. Please find this week's updates below.

Upcoming School Board Meeting

On Monday, August 24 at 7 pm, the School Board will vote to determine how instruction will be delivered in the Phase Into Learning framework starting on September 21, 2020. The Board will meet in person and members of the community are encouraged to attend via Zoom. [Please click here to join.](#)

Illness Reporting

This year, we will be asking families to provide specific information when reporting that your child is sick. While this is a change from past practices, we believe it is necessary to allow us to better identify and monitor trends.

While COVID-19 may have driven this change, having additional knowledge around the types of illness within a school can help our District Nursing Team and other health officials target preventative measures if necessary and appropriate. *Please rest assured that individual health information will be properly protected.* We understand the need to protect privacy and if you have a sensitive situation, please reach out to your school nurse listed below. Let's continue working together to help make our school community safe! Thank you in advance for your help, support and cooperation.

West, Whitman, Eisenhower, Montessori, and Madison

Forms and Fees

This year, we are conducting Forms and Fee Days online through Infinite Campus and RevTrak. [Please click here for a how-to guide.](#) Then, [click here to begin.](#)

Chromebooks: Issuance + Insurance

For the upcoming school year, 6th and 9th grade students, and any/all students who do not already have one, will be issued a Chromebook. More information can be found [here](#). *Please note that Tuesday, August 25 will be the last day for Chromebook pickup.* Students using their own personal laptop or desktop computer will still be issued a Chromebook. Students may use their own computer, but are strongly encouraged to have a Chromebook as well, as the District will not provide Tech support for non-District issued technology. Additionally, the District may need to push updates or information to students' devices, which cannot be accomplished if a student is using a personal device.

Please note that Chromebook insurance is not mandatory. If you are unable to remove Chromebook insurance from your total amount due in RevTrak, please pay the total amount shown, less the \$22 charge. When all other fees have been paid, the remaining balance will be voided by your school.

Now Hiring: Substitutes + Tosa Tots

We're hiring substitute teachers for the 2020-21 school year! We've increased our daily rates, and are providing additional increases for assignments on Mondays and Fridays. And, you'll get a free lunch each day you sub in our District. [Click here to learn more and apply!](#)

The Tosa Rec Department is also seeking a Lead Teacher for its Tosa Tots 3K program at Lincoln Elementary. Please visit www.tosarec.com to apply. You can also contact program coordinator [Jennie Cottam](#) with questions.

Elmbrook Open

The 6th Annual Elmbrook Open is scheduled for September 28th, 9:00am at [Ironwood Golf Course](#). With proceeds benefiting LAUNCH, we encourage everyone to support this fantastic event! For sponsorship opportunities, to make a donation or register as a golfer, please visit the event page at: <https://e.givesmart.com/events/gB8/>.

We hope you have a wonderful weekend!
-Wauwatosa School District
