

Dear Wauwatosa School District Families,

This afternoon Governor Evers directed the Department of Health Services to extend the “Safer at Home” order until May 26th. The order also included the closure of **all public and private schools for the remainder of the 2019-20 school year** as part of the state’s efforts to respond to and contain the spread of COVID-19 in Wisconsin. You can [read the full order here](#).

The Wauwatosa School District will continue to provide digital learning for students through the end of the school year. We appreciate your support and patience as we adjust and refine our digital learning practices. Your children’s school will maintain ongoing communication to provide updates on digital learning. If you have questions or concerns, please reach out to your children’s teacher or building principal.

This closure also means all athletic events, concerts, and school related activities are canceled for the duration of the 2019-20 school year. Schools are working on alternative ways for some celebrations and activities to take place in a digital format. Watch for updates from your building principal in the coming weeks.

Thank you for taking the time to share your thoughts and concerns in our district wide survey last week. You can [view the survey results by clicking here](#). While the percentages look ok, we recognize not everyone has taken the survey nor is everyone satisfied with how we are doing. We will continue to work to make our communication better and more meaningful and to make adjustments to our digital learning to provide appropriate educational experiences for your children. Again, we appreciate your patience as we work through this change.

We have had a great response to meal pickups over the past four weeks and we hope it continues to grow. The following are the pickup locations and times starting Monday, April 20th. **We have added meal pickup locations at Madison and Underwood Elementary Schools**. We hope that by doing this we are able to service more families that want or need the support of our school lunch program.

- Longfellow Middle School - Mondays and Tuesdays 11:00 am - 1:00pm
- Whitman Middle School - Mondays and Tuesdays 11:00 am - 1:00 pm

- Underwood Elementary School – Wednesdays 11:00 am - 12:30 pm
