

Effective Communication

I can communicate my ideas in various forms and within the context of specific situations, including oral, visual, and written communication. I am an active listener.

Critical Thinking & Problem Solving

I engage in the process of finding solutions to complex issues. I persevere through challenges and seek out support when needed.

Social-Emotional Awareness & Regulation

I am aware of and am able to manage my emotions in a variety of situations. I am sensitive to those around me.

Identity & Agency

I have strong knowledge and awareness of who I am based on my personal values, allowing me to advocate and take initiative to drive change.

VISION *of a* GRADUATE

Cultural Diversity & Awareness

I embrace differences in culture, race, religion, etc. I understand that diversity drives growth. I show empathy and compassion for others.

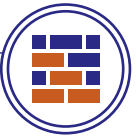

Growth Mindset

I am flexible and adapt to change. I work hard to grow and improve. I am responsive to feedback.

Collaboration & Independence

I am able to work in different environments to complete or move a task forward. I work well within a team and value other people's strengths.

Strong Academic Foundation

I have a strong academic foundation in core areas, including various forms of literacy (digital, global, financial, civic), mathematical reasoning, and a fundamental understanding of science and social studies concepts.
