

September 18, 2020

Hello WSD Families,

We hope you are doing well and adjusting to your student's new school routine. Please find this week's updates below.

Free Meals for Students

The Wauwatosa School District will provide free breakfast and lunch to all students enrolled in the District through December 31, 2020. For more information, please click [here](#). You may also click on the appropriate form below to place your order for days your student is participating in virtual learning:

[Phase Into Learning Hybrid Learners Lunch Request Form](#) - A previous communication incorrectly stated that only one form per family was required. Please complete one form per student.

[Tosa Connected + WVA Virtual Learners Lunch Request Form](#) - Only one form is required per family.

COVID-19 Close Contact Notification

The Wauwatosa School District is taking steps to align its COVID-19 notification process with the Wauwatosa Health Department. Additionally, the public is now able to explore the number of individuals quarantined and the number of positive cases at each school building in our District through our [COVID-19 dashboard](#). **For these reasons, moving forward, the District will only notify people who were in close contact (within 6 feet for 15 minutes or longer) with a COVID-19 positive individual in a District building.** Please find a sample close contact notification email [here](#). If you have questions, please reach out to our [district nursing team](#) or call our COVID nurse line at 414-773-1990.

Student Illness

If a child displays any COVID-19 [symptoms](#) while in a District building, they will be sent home immediately and must stay home until either 1) ten days have passed, or 2) proof of a negative COVID-19 test is provided to our District Nurse. The only exceptions to this will be for students with pre-existing conditions or instances where a healthcare provider diagnoses symptoms as a non-COVID-19 illness. In these cases, you must provide our District Nurse with written proof from your healthcare provider.

Right at School

Right at School registration is open for all students at all elementary schools! From Phase Into Learning to Tosa Connected to Wauwatosa Virtual Academy, Right at School has a program option that will fit your student's schedule. Click [here](#) to view options for child care including full-day, half-day, before or after school and JK wrap care.

September Newsletter

The September 2020 District Newsletter was distributed to families via email earlier this week. To view the newsletter, please click [here](#). If you'd like to sign up to receive monthly newsletters from the District, please click [here](#).

Wauwatosa Pop-Up Food Pantry

Have you heard about the pop-up food pantry at Longfellow Middle School? Now, they've started a toiletry pantry too, filled with toothpaste, brushes, laundry detergent, toilet paper, and more. Both are located in the rear of the building, outside of the cafeteria. Take what you need and leave what you can!

Thank you, and have a great weekend!
-Wauwatosa School District
