

September 25, 2020

Hello WSD Families,

We hope you are enjoying the wonderful weather and taking time for yourself to rest, relax and rejuvenate. Please find this week's updates below.

You're Doing Great - Keep It Up!

We want to take this opportunity to recognize our staff and students who have been working diligently to mitigate COVID-19 exposure in our schools. We are so #TosaProud of you! We encourage all members of our educational community to continue wearing your masks, washing your hands, maintaining your physical distance from others and staying home when you're not feeling well. We understand that this is difficult - particularly as Halloween and other holidays grow nearer and we take advantage of what are possibly the last few days of warm weather this weekend. Thank you for your hard work and continued efforts - we sincerely appreciate it!

Daily Digest: COVID-19 Dashboard

As communicated in last week's update, the district will no longer be distributing "low risk" letters related to COVID-19. Instead, we encourage members of our community to subscribe to our COVID-19 Daily Digest, which delivers a daily email to subscribers, providing the latest data related to COVID-19 in our community. Please click [here](#) and scroll down to the sign-up form to subscribe to the Daily Digest.

The Wauwatosa School District will continue to notify individuals who were in close contact (within 6 feet for 15 cumulative minutes) with a COVID-19 positive individual in a District building.

Fall Experience Survey

Your opinion matters and we want to hear from you! Please complete our fall experience survey at www.TosaSchoolsFallSurvey.org. The survey is completely confidential and will take between 5-7 minutes to complete. All families and secondary students are encouraged to complete the survey before it closes at 11:59 pm on Friday, October 2, 2020.

BONUS: We will randomly select five families and five students to receive a Tosa Schools swag bag just for completing the survey. All you have to do is enter your email address in the survey. All responses will remain confidential.

Annual Notices

Please click [here](#) to view updated annual notices for 2020-21. This information can also be found in the Family Resources section of the District website.

MCTS Routes 21 and 60

Due to extremely low ridership, MCTS Route 21 and Route 60 extensions to Whitman & Wauwatosa West will be eliminated until further notice. The last day of service will be today. If/When schools return to full in-person capacity, these routes may resume as originally planned. Additional information will be provided when available.

TestUpMKE Campaign

A new website launched last week to promote access to COVID-19 information and testing in Milwaukee County. The campaign focuses on health equity by providing the resources in multiple languages and making the website accessible to individuals with hearing, visual and other special needs. The website provides COVID-19 testing locations, COVID-19 resources, and an assessment to help individuals decide if they need to get tested. Visit [TestUpMKE.com](https://www.testupmke.com) to learn more.

Digital Calendar

The Wauwatosa School District digital calendar is now live! Given the ever-changing environment, we have developed a digital calendar in lieu of a printed version. Users can now filter by school and by event category to view events most relevant to them. Please click [here](#) to access the calendar. If you have questions about an event, please contact that building's Administrative Assistant.

From the Wauwatosa Recreation Department

As the weather starts to change, Fall is on our minds. Click this link "[Fall Activities](#)" to view the current offerings available at this time. We are working hard on offering all we can in a responsible and safe environment due to COVID. Check back often as we continue to list "[Fall Activities](#)" we are able to offer throughout the Fall. *Please be advised all activities are subject to change.*

We encourage participants to register online or by using our outdoor drop box to drop off paper registration forms. Our office remains closed for Face-to-Face interactions until further notice. We are available by phone 414-773-2900 and continue to be available by email tosarec@wauwatosa.k12.wi.us

Check out these exciting activities starting soon and available now for registration:

[Youth Gymnastics](#) & [Youth Swim Lessons](#) - Smaller class sizes for a safe and quality experience.

[Safety Town](#) - Through a story-like (recorded) template, families will have access to 10 different prepared Safety Topics. Families are encouraged to navigate the topics as needed, or follow the suggested sequence. Review and reinforce each topic when needed! This program is designed to be done at your own pace.

Updated Office Hours

- Monday, Tuesday, Thursday, Friday 8:00am-5:00pm
- Closed on Wednesdays Until Further Notice
- We will remain closed for face-to-face interaction until further notice.
- We will be available by phone 414-773-2900 and will continue to be available by email tosarec@wauwatosa.k12.wi.us.

Train Safety

September 21-27 is Rail Safety Week and “Operation Clear Track” is underway - the largest single railroad safety law enforcement program in the country, hosted by Amtrak (www.amtrak.com) and Operation Lifesaver Inc. (www.oli.org).

Due to COVID-19, in-person rail safety events will not be held this year. Instead, all are invited to join the virtual Operation Clear Track effort to share this critical safety message to prevent these incidents from ever impacting our friends and loved ones. For more information about Rail Safety Week, Operation Clear Track, and other rail-safety initiatives and tips, please visit www.oli.org.

Be Well,

-Wauwatosa School District
