Underwood School March 2022

Dear Firefly Families:

We are beginning the month at mitigation level 2, which allows Senior Kindergarten through fifth grade students to go maskless. It has been nearly two years since the initial shut down in March of 2020, and we're welcoming this change as another step towards a return to seeing one another's smiles on a regular basis.

We're hoping this leads to more in-person opportunities as we move into springtime. As you've read by now, the PTA Board is hoping to hold High Interest Day, and they need volunteers to help with supervision, presentations and logistics. High Interest Day will be a wonderful opportunity to enjoy our learning community coming together to provide fun activities for our students.

And finally, please mark your calendars for Spring Break from March 21-25th. Students' last day of school will be March 18th and they will return to school March 28th. Enjoy the time off with family and friends!

Sincerely,

Jenny Keats
