## 2019 Advanced Placement (AP) Test Information

### What is AP?

Advanced Placement (AP) is a program that gives students an opportunity to take college-level courses and exams while they are still in high school. Students may earn credit, advanced placement, or both for college.

### Which tests should I take?

Students can take any exam that they would like. There are no prerequisites for taking any of the AP exams. Students will be more prepared for a certain exam if they have completed an advanced course in that subject.

### Which colleges offer AP credits or advanced placement?

The vast majority of the nation's colleges and universities offer credit or advanced placement. However, students are strongly encouraged to check with the specific college about AP policies.

### What is the cost?

**Each test costs \$94. The AP Seminar and AP Research exams cost \$142 each.** *(\*\*If you qualify for free or reduced lunch, you will not be required to pay the testing fee but will have to pay a \$15 deposit per test. See Mrs. Kraetz with questions.\*\*)*

### How do I register and pay?

Return the registration form and payment to Mrs. Kraetz in Counseling by **March 8, 2019**. You must pay for every test at the time of registration. **No tests will be ordered without payment and the registration form. This includes AP Human Geography.** You must submit the registration and payment in person or via USPS. The school is not responsible for registration or money not directly handed to a Counseling department staff member or sent through the mail.

Checks should be made out to Wauwatosa West High School. Cash payments in the exact amount will be accepted. Credit card payments can be made over the phone by contacting Christie Toye in the Athletic Office at 414-773-3019. All credit card information is kept secure. Students must still come to Counseling and turn in the registration form and credit card receipt. Receipts will be issued for cash payments. Your cancelled check will serve as your receipt unless otherwise requested.

### Refunds and late orders

If you sign up to take a test and later cancel your registration with Mrs. Kraetz, you will be refunded \$70 per test. All refunds will be made approximately one week after the last scheduled exam. If you are not present at the scheduled time, the test will be given without you, as it will be assumed you have decided not to take the test. Late students will not be admitted. If you order an exam after the registration deadline (March 8, 2019) but before the late test order deadline, there is an additional late fee of \$55 per test.

### Mandatory Pre-Administration Session

All AP candidates are **required** to attend a pre-administration session prior to the actual testing dates. The date for the pre-administration session is **Wednesday, April 10, 2019, in the Steiner Center during student's free period. PLEASE DO NOT MISS THIS MEETING.**
