Wauwatosa West's graduation requirements are closely aligned with college admissions requirements.

Approximately 70% of Tosa West graduates will enroll in a 4-year college after graduation. Approximately 20% choose to attend a 2-year college.

In addition to academic credits, admission to college is based on other factors:

- **Academic record**: based on grades in college prep courses and strength of coursework.
- **Standardized test scores**: all applicants must take either the ACT or SAT. The ACT is now part of Wisconsin Statewide Testing.
- **Extracurricular activities/accomplishments.**
