Parents will need to pre-register to attend the Special Education Parent Network Meeting. Registration will close at the end of the day on Thursday, April 22, 2021. Registrants will receive a link to the ZOOM invite from the email they register from and can only access the meeting from that link/email address.

The purpose of the Special Education Parent Network Meeting is to provide general updates and overviews on topics of interest to parents of students with disabilities and provide parents the opportunity to network and share with other families. It is not intended to discuss the specific needs or services of individual students.

We are here because we all want the best for students in Wauwatosa!
